

Center for Midwifery

UNIVERSITY OF COLORADO

720-494-3128

Experience the comfort of holistic, personalized midwifery care with the assurance and options of modern medicine. Families are offered a unique, individualized birth experience with options for water birth and nitrous oxide.

We provide well woman, gynecological, family planning, and comprehensive prenatal services at three clinic locations in Boulder, Firestone, and Longmont.

Births at UCHealth Longs Peak Hospital in Longmont starting August 2017!

Midwives are specialists
in the care of
healthy women and babies.
